CHTA highly recommends the use of a broker to assist in transferring and clearing your materials to Caribbean Travel Marketplace.

Below we have provided information on a broker in Miami, who will be able to ship and deliver your materials directly to the Baha Mar Conference Site. The information is for your assistance; however, **CHTA cannot take responsibility for any materials shipped through this or any other consolidator, shipper, freight forwarder or broker.**

Every exhibitor is responsible for the costs associated with shipping, brokerage, customs duties, taxes, freight forwarding and transfers.

If using the suggested freight forwarder/broker, **PLEASE READ CAREFULLY THE FOLLOWING PROCEDURES FOR SHIPPING INSTRUCTIONS AS OUTLINED BELOW**

**SHIPMENT TO BAHAMAS**

1. Bahamas Customs requires a very detailed and itemized list of goods typed on your letterhead with a dollar value for each item. This list is very important as it is also used for insurance purposes. Please complete the attached forms (Customs Information Form, Worksheet, Material Handling Rates and Payment Method) and e-mail to:

   FIF Logistics
   Attn: Daniel Caballero
   Telephone: (305) 863-6311 ext. 107 Fax: (305) 863-6366
   E-mail: daniel.caballero@fiflogistics.com

2. Please ship and label **ALL** of your boxes/contents using the attached labels.

   Also, please label on the outside of each box the number that corresponds with the number on the customs information form if possible.

3. All of your conference cargo must arrive at FIF Logistics’ warehouse no later than **Wednesday January 8th, 2020**. This time frame allows FIF Logistics to have sufficient time to organize and register your goods to be shipped from Miami and arrive at Baha Mar Resort to await the start of your conference.

4. Packages received in Miami between Thursday January 9th and Monday January 13th, 2020 will be subject to a 25% surcharge. Packages received in Miami on Tuesday January 14th, 2020 and after will be **refused**.

5. FIF Logistics will e-mail or fax participant a warehouse receipt confirming receipt of goods in Miami.

6. A copy of your itemized list of goods with the dollar value of each item will be submitted to the United States Government. All goods leaving the United States must be examined and cleared through United States Customs.
WARNINGS:

Due to limited storage space, Baha Mar Resort does not accept advance freight deliveries.

Warning: We cannot guarantee shipment to the hotel if a courier service is utilized to ship direct to Nassau. Goods shipped in this manner are still subject to customs broker clearance. CHTA, FIF and Baha Mar Resort do not maintain a direct relationship with any broker clearing through these couriers. Goods shipped via courier take a minimum of 3 days to clear customs – there is no overnight delivery. None of these couriers are open on Saturday, Sunday or holidays.

DELIVERY OF PACKAGES AT CONFERENCE SITE

Packages will be delivered to participant’s booth area on Tuesday January 21st, 2020, only if all cost have been paid and participant has signed and emailed FIF Logistics a “Responsibility for Material Handling Services” form; otherwise packages will be held at the warehouse until the participant pays or claims the packages.

RETURN SHIPMENTS

1. Packages returning to the US will be picked up at the participant’s booth on Thursday January 23rd, 2020 after the end of the event.

2. All boxes will require proper labeling and a completed Cargo Information Form detailing the number of boxes and shipping information.

3. All goods will be shipped via FIF Logistics through Bahamas Customs and will also provide clearance through United States Customs.

4. You will be notified of shipment arrival in the United States and FIF Logistics will verify the shipping address of the final destination.

5. FIF Logistics will ship goods directly from Miami to you or via your designated courier in accordance with your instructions and the account number provided, if applicable. Delivery will be made within 7 to 10 working days from Nassau departure date.
